LOCAL EXCHANGE SERVICE

SECTION 2 - Regulations, cont'd.

2.5 Payment Arrangements, cont'd.

2.5.2 Billing and Collection of Charges

Bills will be rendered monthly to Customer.

1. All service, installation, monthly Recurring Charges and Non Recurring Charges are due and payable upon receipt.
2. The Company shall present bills for Recurring Charges monthly to the Customer, in advance of the month which service is provided. Charges based on measured or message usage will be included on the next invoice rendered following the end of the billing period in which the usage occurs, and will be due and payable within 30 days after the invoice is mailed.
3. For new customers or existing customers whose service is disconnected, the charge for the fraction of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.
4. Amounts not paid within 18 days after the date of invoice are considered past due. If the entire balance is not paid by the due date, a late payment charge of 1.5% per month will be assessed on the unpaid balance.
5. Payments presented for services or equipment, and subsequently returned to the Company by the Customer's financial institution for "Non-Sufficient Funds" (NSF) or other reasons will incur a nonrecurring charge of \$25.00 per item, **with a max rate of \$35.00.**

(N)

A Customer will be placed on a "cash only" basis upon receipt of two (2) returned payments within a twelve (12) month period of time. "Cash only" is herein defined as Cashier's Checks, U.S. currency, or money orders.

Receipt of a subsequently dishonored negotiable instrument in response to a notice of discontinuance shall not constitute payment of a Customer's account and the Company will not be required to issue additional notice prior to discontinuance. However, three (3) banking days must be allowed for redemption of such instrument.

6. For Customers provisioned under a term agreement and service is terminated prior to the expiration of the term commitment, Early Termination Charges will apply. Early Termination Charges are due and payable effective as of the termination date. For details, see Section 2.7.

LOCAL EXCHANGE SERVICE

SECTION 2 - Regulations, cont'd.

2.6 Allowances for Interruptions of Service

- 2.6.1 Credit for interruptions: Unless otherwise specified, when the use of service or facilities furnished by the Company is interrupted due to any cause other than the negligence or willful act of the Customer, or the operation or failure of the facilities or equipment provided by the Customer, a pro rata adjustment of the Monthly Recurring Charges subject to interruption will be allowed for the service and facilities rendered useless and inoperative by reason of the interruption whenever said interruption continues for a period of 24 hours or more from the time the interruption is reported to or known to exist by the Company, except as otherwise specified in the Company's tariffs. If the Customer reports a service, facility or circuit to be inoperative but declines to release it for testing and repair, it is considered to be impaired, but not interrupted.

For calculating credit allowances, every month is considered to have 30 days. A credit allowance is applied on a pro rata basis against the Monthly Recurring Charges specified herein for Local Line or Local Trunk Service and is dependent upon the length of the interruption. Only those facilities on the interrupted portion of the circuit will receive a credit. Credit allowances for service outages that exceed 24 hours in duration will be rounded up to the next whole 24 hours.

The Company may provide products or services up to a \$25 value, **with a max rate of \$50**, as a gesture of goodwill whenever the Company deems it appropriate to compensate a Residential Customer for Customer's inconvenience. (N)
(N)

In the first 12 months after installation, if a Residential Customer is not completely satisfied with Cox Telephone Service, the Company will refund the first month's Monthly Recurring Charges on the Primary Line, excluding local toll and long distance charges. Additionally, Company offers an On Time Guarantee to its Customers that guarantees if a Cox technician or agent does not arrive within the prearranged four hour service window for an installation or service call, Company will credit the Customer's account \$20.00 on the next bill cycle.
